**Good news! We will now send you Retirement Plan statements twice a year**

Starting July 1, 2012, you will receive two statements per year for your Retirement Plan account. Your mid-year statement will show transactions from January through June, and your year-end statement will show transactions from July through December. Previously, we sent only one statement a year. Please keep the statements for your records.

We hope you find this change helpful in managing your account. If you have any questions, please call us at the number on this statement or visit a Chase branch.
